Mission:

The Department of Finance administers the tax and revenue laws of the City fairly, efficiently, and transparently to instill public confidence and encourage compliance while providing exceptional customer service.

About
The Department of Finance collects the revenues that make every city service possible. Public education, police and fire protection, hospitals and healthcare facilities, parks and recreation centers all start with DOF. If you own a home, drive a car, rent an apartment, or start a business, you will interact with the Department of Finance at some point. We are your partner in city government, here to help you save money when you can and pay it when you must.
