

Handset Tracking

Gain unparalleled visibility.

Key benefits of Handset Tracking

- Improve transparency with monitoring that goes beyond just fleet vehicles and assets.
- Increase employee safety by knowing their precise locations if an emergency occurs on the job.
- Know more effectively if employees are at correct job sites to improve customer service.
- Use Handset Tracking to raise your team's productivity in the field.

Don't lose sight of your mobile employees.

Employee Monitoring

Make sure mobile employees are at correct field locations.

Retain Visibility

Maintain workforce insight beyond just fleet tracking.

Customizable Settings

Only track while workers are on the clock.

Geofence Alerts

Get alerts when employees enter/exit geofences.

User Alerts

Get notified if employees disable Handset Tracking.

Breadcrumb Trails

See strings of GPS points detailing past whereabouts.

Enhanced Security*

Improve security over workers' positional data.

Workforce Cohesion

Use pinpointed staff locations to send extra help.

*Get even more security features with TeamWherx™ Vault.
