

Form: Example Application

Do you know ...

Our **customer satisfaction survey forms** help companies collect valuable opinions on how customers feel their service went?

- By being set up as a public form, the surveys can be shared with customers.
- Customers can easily fill out the surveys from a mobile device.
- Results can then be analyzed for areas where service could be improved.

These additional insights help organizations **fine-tune their service and provide better customer experiences.**

Customer Survey

Please take a moment to rate our services. Thank you for giving us the opportunity to serve you.

Value for price paid

- Excellent
