

Form: Example Application

Do you know ...

Our **disciplinary write-up forms** help managers inform employees of violations and the required corrective actions?

- Details can be easily submitted on any device and at any time – including at the time/place of the infraction.
- Employees will receive alerts with the detailed issue and next steps to view / address.
- Digital records can be automatically shared with HR and serve as evidence if there is a dispute.

These forms help managers **improve employee performance** while **preventing future liabilities**.
