Do you know …

Our **Job Application form** streamlines hiring processes:

- Questions can be customized to the position.

- Applicants can complete / submit the form online and also upload relevant documents (e.g., cover letter, resume, portfolio, references, etc.)

- Completed applications can be routed to the hiring committee in real-time and applicants' details can be viewed on any device.

The digital forms help managers **attract top talent** and **ask the right questions** to screen the right people.
