Mission:

The mission of the City of Chicago's Office of Budget and Management is to uphold and advance fiscal integrity, accountability, and sustainability through rigorous, data-driven approaches to budgetary management, strategic financial planning, and informed policy analysis. We are committed to optimizing the allocation of the City's financial resources to support essential services, promote equitable and sustainable growth, and enhance the understanding of the budget process for all residents. Through transparency, innovation, and collaboration, we aim to ensure the City of Chicago remains financially resilient, responsive to community needs, and poised for future challenges and opportunities.
