**Mission:**

The Mission of the Department of Fleet & Facility Management (2FM) is to support the operations of other City of Chicago departments and agencies by providing high-quality and cost-effective asset management and services. 2FM ensures safe and efficient use of the City of Chicago's assets through effectively managing the maintenance and repair of vehicles, equipment, and properties occupied by the City. In addition, the department is responsible for information technology, advancing energy efficiency and brownfield development, procuring utilities, coordinating document retention services, and providing graphic and mail services. Our finished products and services shall meet or exceed industry standards, best practices, and the expectations of our user departments.
