Mission:
The Department of Technology's (DOT) primary mission is supporting and partnering with public facing agencies across the City in using technology to serve the residents and businesses of Columbus and Central Ohio. DOT does this by planning, designing, developing, procuring, and delivering information technology, telecommunications, and media services in partnership with City departments, City Council, boards and commissions, and other government entities.

Contacts and Stakeholders Information:
Sam Orth – Director

Pam O'Grady – Deputy Director

Rick Wagner – Deputy Director
