Mission:

To save lives, protect property, and serve our community with courage, commitment and compassion.

HFD exists to serve our citizens (the public). Our menu of responsibilities is ever changing, but our basic areas of service are prevention and enforcement, public education, pre-hospital emergency care & transportation, and fire control. Our service has evolved to include hazardous materials, technical rescue, tactical medicine, swift water rescue, and social service calls. We are the “one-stop” shopping that citizens can rely on. When they call, we only ask a few questions, respond quickly, solve their problems, and leave just as fast as we arrived. No red tape on either end....no other government agency works in quite the same way.
