Mission:
The Bureau of Sanitation collects, treats and disposes of sewage from homes and businesses throughout the greater Los Angeles Metropolitan Area, and for 27 other cities and agencies on a contractual basis. The Bureau also provides refuse collection, and disposal and recycling services to 720,000 households in the City of Los Angeles and to various City facilities. The Bureau controls the discharge of sewage, industrial wastes and storm waters into sewers, storm drains, open channel and navigable waters; inspects and maintains open storm water channels; maintains, operates and repairs all sanitary sewers, storm drains, culverts and appurtenant structures such as sewage and storm water pumping plants and sewer ventilating plants.
