Mission:

To light the way for Los Angeles. The Bureau of Street Lighting provides engineering design, construction, maintenance and repair of the City's Street Lighting System; maintains adequate roadway and sidewalk illumination for vehicular and pedestrian safety; prepares specifications, and cost estimates for new installations and maintenance assessments for operation of all streetlights in the Los Angeles City Lighting District; evaluates petitions for street lighting in accordance with the 1911 Improvement Act and requests for utilitarian (additional illumination) streetlights.
