**Mission:**  
The Los Angeles Zoo nurtures wildlife and enriches the human spirit. Accessible to everyone who lives in or visits the Los Angeles area, the Zoo is a great place to explore with friends and family. But the mission goes beyond the excitement and wonderment of seeing exotic animals. The Zoo is committed to education and conservation. Each year thousands of school children enjoy tours with Zoo volunteer docents. In-depth classes, summer camp, preschool programs and community outreach introduce audiences of all ages to the wonderful wildlife of the world. Accredited by the American Association of Zoos and Aquariums, the L.A. Zoo cooperates with a network of other zoos to save rare and endangered species.

**Our Mission**  
Through the passion of our team, the Los Angeles Zoo is leading the way in saving wildlife and connecting Angelenos to the natural world by providing exemplary animal care, delivering distinctive and diverse learning opportunities, and creating unforgettable experiences.
