### Mission:

The New York City Housing Authority (NYCHA), the largest public housing authority in North America, was created in 1935 to provide decent, affordable housing for low- and moderate-income New Yorkers. NYCHA is home to 1 in 17 New Yorkers, providing affordable housing to 528,105 authorized residents through public housing and Permanent Affordability Commitment Together (PACT) programs as well as Section 8 housing. NYCHA has 177,569 apartments in 2,411 buildings across 335 conventional public housing and PACT developments. In addition, NYCHA connects residents to critical programs and services from external and internal partners, with a focus on economic opportunity, youth, seniors, and social services.
