Mission:

The Office of Risk Management analyzes the City's insurance and other risk exposure issues, including managing claims, workers' compensation, and service-connected disabilities. They also provide safety and loss prevention programs.

The mission of the Office of Risk Management is to:

Reduce the financial impact of claims, lawsuits, and employee injuries to the City.

Reduce the corresponding frequency and severity of these events through the application of professional risk management techniques.

Provide a safe environment for employees to work and the public to enjoy.
