Mission:

The Office of the City Engineer is responsible for overseeing the selection of architects, engineers and contractors to execute the city's five-year, capital improvement program. This includes overseeing improvements outside of the city's right-of-way facilities such as parks, fire stations, police stations and libraries. The Central Records, Citywide Procurement, Labor Compliance, Small Business Enterprise, and Environmental and Floodplain/Drainage Programs sections are part of the Office of the City Engineer.

Contacts and Stakeholders Information:

Eric Froberg – City Engineer

Eric.froberg@phoenix.gov
