### Mission:

Reorganization Plan No. 4 of 1994, as amended by Act No. 51 of August 4, 1994, creates the Department of Economic Development and Commerce. It is to implement and oversee public policy on the economic development of Puerto Rico in the various business sectors of industry, commerce, tourism, services, cooperatives, and others, in order to foster the development of a stable and self-sustaining private economy with a vision for the future, taking into account the globalization of the economy and the formation of regional economic blocs.
