Mission:

Protect, conserve, and manage the natural and environmental resources of our island, Puerto Rico, and all the surrounding cays, islands, and islets in a balanced manner, to ensure future generations can enjoy them and promote a better quality of life.

Vision

To foster a healthy environment by promoting the sustainable use of natural resources, coordinating environmental management, and transforming Puerto Ricans' environmental culture into one of conservation, with the participation of all sectors of society to improve the quality of life.
