Mission:

The State Office of Energy Public Policy (OEPPE) was created by Act 57-2014 (Puerto Rico Energy Transformation and Relief Act) in response to the need to transform both Puerto Rico's energy industry and the Puerto Rico Electric Power Authority. Through this Act, the OEPPE is delegated a wide range of functions with the primary purpose of developing, promoting, regulating, and overseeing compliance with the Government's energy public policy and advising the Office of the Governor on energy matters.
