The Department of Education and Early Learning (DEEL) was created to facilitate the City of Seattle's support for the educational and developmental needs of children in Seattle birth to preschool, students in Seattle's public schools, students in postsecondary programs, and their families. DEEL is responsible for leadership, direction, policy development, interdepartmental and interagency communication and coordination for early learning programs and education programs and policies and serves as the City's higher education liaison.

MISSION/VISION

The mission of the Department of Education and Early Learning is to transform the lives of Seattle's children, youth, and families through strategic investments in education.
